

4-Days PMP® Exam Preparation Workshop

**Completely aligned with NEW changes applicable after
31st August 2011**

What are the NEW changes?

- Approximately 30% of the content on the PMP examination is new or has substantial changes to reflect the role as defined by the RDS.
- Certain areas of the examination will be tested in a different. Specifically, the Professional and Social Responsibility content area will now be tested in every domain rather than as a separate domain on the examination.

Our course has been updated to cater these changes

**PMI Karachi Pakistan Chapter is the Registered
Education Provider (REP) of PMI®**

**PMI's PMP® is globally recognized Certification and is in
great demand world over.**

Pass PMP Exam at your First Try

What makes this workshop different from others?

This workshop goes beyond PMP Exam certification. Its hands-on training prepares you for any project that comes your way. It is equally beneficial for those aspiring for PMP Certification and also for those who intend to apply best project management practices in their work. You will experience a real world project from Initiation till closing. An audio-video case study will run throughout the workshop. Participants will be able to attempt about 100 questions similar to real PMP Exam and will take with them another 200 similar questions in a CD.

Participants busy in Real Paper house Project
